Prequalification

Project measures: The "Sustainable Urban Mobility" project aims to reduce greenhouse gas emissions and improve the climate and environmental compatibility of the transport system in Batumi, Georgia. The project foresees the establishment of a modern traffic control centre (BOCC), the deployment of Intelligent Transport Systems (ITS), implementation of EcoMobility infrastructure along key corridors, and extensive institutional capacity building. The citizens of Batumi will benefit from improved public and non-motorised transport options, enhanced air quality, and better living conditions. The project encompasses installation of ITS equipment, implementation of a new city-wide traffic management platform, implementation of public transport and cycling infrastructure, capacity development for the Employer.

To achieve the objectives of the project, the following measures shall be financed under the Project:

- 1) Prepare conceptual and detailed design for all project components, including BOCC building, ITS systems, and EcoMobility corridors
- 2) Support the preparation and implementation of procurement procedures

- 3) Supervise construction and implementation of all components
- 4) Ensure compliance with ESHS and OHS requirements
- 5) Support Batumi City Hall in project implementation, monitoring, stakeholder communication and contract management
- 6) Implement capacity development and institutional support measures
- 7) Design and facilitate stakeholder and public engagement

Procurement framework: This Prequalification for Consulting Services will be guided by the latest version of KfW's „Guidelines for the Procurement of Consulting Services, Works, Plant, Goods and Non-Consulting Services in Financial Cooperation with Partner Countries” (2021, Update 2024 / available on www.kfw-entwicklungsbank.de).

Usage of e-procurement: Applications for this tender shall be submitted electronically only through the e-procurement platform by the provider Exficon GmbH. No physical submissions of Applications will be required. Further information is available in the Prequalification document.

To receive the Prequalification documentation, please contact the Employer's Representative Mrs. Rusudan Zhozhadze (rzhozhadze@gmail.com) and the Tender Agent under tender@renemeyer.org.
